Dear Sir/Madam,

We recently bought four of your Bird-X units. Until we used your equipment, we were plagued with deer.

Now, it seems your units have stopped our problem. We use 3 units in an area of less than 4,000 sq. ft. The sound of the units overlaps, and each unit goes off at a different time, which I think further helps.

Please feel free to use this letter as a reference.

Yours truly,

Gerson A.
