

# Transonic PRO

**COMMERCIAL  
QUALITY**

## ELECTRONIC PEST REPELLER

- Powerful ultrasound waves
- Repels rodents, insects & other pests
- Safe, clean operation
  - Protects up to 3,500 sq. ft.
  - Harmless to humans & pets

### USE ANYWHERE, INDOORS OR OUT

- Warehouses & Commercial Facilities
- Garages, Basements & Kitchens
- Food Establishments - Homes & Offices - Farms & Barns
- Porches, Pools & Patios
- Attics & Crawl Spaces
- Roof Eaves & Awnings

**UP TO  
3,500  
square feet**

### ONE-TIME INVESTMENT

Less expensive, less danger than perpetual chemical use

No glue - no traps - no mess - no disposal - no poison - no risk!

### “PSYCHOACOUSTIC JAMMING” CLEAN ELECTRONIC SOLUTION

Intense, variable pitch ultrasonic and sonic sound waves repel pests.

This noisy, hostile, dynamic sound environment is intolerable to pests, yet friendly to pets, humans and the environment.
