Joshua:

I want to take a moment of your time to thank you and your colleagues at Bird-X for the recommendation and support you gave to alleviate my fowl problem. This past year was enjoyable knowing that I didn't have to do additional clean-up around my swimming pool because of bird droppings. The Bird-X Pro performed as expected and I am well pleased. I feel comfortable that I have eliminated a nuisance without any harm to the environment or to the birds.

Again, I want to say THANK YOU!!

Regards,
