Boys/Girls....

This is a picture of my Mighty 180 taken yesterday after a great flight.... note the
balloon in front of the hangar... www.huntress.com/cessna.htm

So far it is working GREAT...!! No birds, no plugs... no bird poop... etc etc etc... This
is a link to their web site... <http://www.bird-x.com/products/terror.html>

more updates to follow...
