Chicago, IL 60607

August 30, 2002

Dear Aaron,

I wanted to take a few moments to let you know that I am very pleased with the Bird-X I purchased from your company in May 2002. It has made an amazing difference in our marinas' cleanliness and quietness this season. Thank you for a great product. This product made a believer out of many boaters here in our marina.

Sincerely,

A handwritten signature in black ink, appearing to read "Jerry B", with a long, sweeping flourish extending to the right.

Jerry B
General Manager
