**Subject:** you are the best

Hello Joe,

We have purchased a Bird-X QB-4 Repeller from you back in March 2002 for our Penang, Malaysia Factory, and our staffs at site are very happy because they have used other products and see little or no resolve, but with the QB-4, it started working on the 1st day of installation, and after the 3 months monitoring it, we have decided to purchase 2 more units from you. we will fax a PO to you on Monday 7/1/02.

Thanks,

Dan
